

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear violation of the democratic principles we live by. These principles are apparently the very reason we we are in Iraq, so that democracy may prevail, and not the commands of a select few.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. The public deserves to be presented with both sides of an issue-OBJECTIVELY.

Thank you.
